## COVID 19 GUIDELINES

## SILVER CREEK ASSEMBLY OF GOD

### COME VISIT US!

1385 Route 20  
Silver Creek NY 14136  
716-934-4782

### ROLES & POSITIONS

Silver Creek Assembly of God established our plan based on recommendations from the CDC, Federal, State and Local reopening guidelines, as well as reopening recommendations from the NY Ministry Network.

At Silver Creek Assembly of God, our desire is to provide a safe and healthy environment for all people to experience the presence of God while in community with our church family!

#### MASKS:

Masks will be required while entering and exiting the building, as well as when moving around the facility. Masks may be removed while you are seated in the sanctuary.

*Silver Creek AG staff and volunteers will wear masks at all times with the exception of those who will remove their masks while ministering from the platform. We understand that there are exceptions for babies/toddlers and those who are medically unable to tolerate face coverings.*

**SOCIAL DISTANCING:** Please observe social distancing while in our facility. Our sanctuary has been arranged to allow for six feet of separation between household units. We ask that you refrain from sitting with individuals who do not live in your household.

*We understand that there are areas of the building that make it difficult to maintain six feet of separation, this is why it is important to wear a mask while moving throughout our facility.*

#### GREETING:

In order to reduce movement around our facility and to maintain social distancing guidelines, our "greeting" time has been removed from our Sunday Experience. We ask that you greet each other with a "wave" or an "elbow bump" in lieu of a hug, handshake, high five or fist bump.

#### SANITATION:

Please make use of the automatic hand sanitizing stations that have been installed in our foyer. We encourage frequent hand washing as the preferred method of hand sanitation when using our restrooms.

#### GIVING:

At this time, we encourage everyone to place their offering envelope in the back of the sanctuary in the offering plates or to give online. This ensures as "touch free" of an experience as possible.

#### WHAT ABOUT MY CHILDREN?

Throughout our children's church experience, we will be able to continue providing a safe, fun, and engaging environment for our kids to learn about being a life-long follower of Jesus! Parents can help their children and our staff by having conversations with their children about the importance of wearing their masks when not sitting down as well as teaching your
